Give & Take:
Trust, technology and service
are the keystones of precious metal recycling

C. HAFNER Precious Metal Recycling

The quickest and simplest way
from collection to settlement
for scrap, sweeps or solutions.

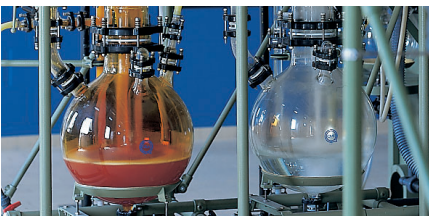

Precious metal recycling entails a great responsibility towards our workers and to the environment.

C. HAFNER meets this responsibility with plants using cutting edge recycling technology. C. HAFNER's commitment to the environment is demonstrated in its modern precious metal recovery building measuring over 2000 square metres.

But precious metal recovery is also a matter of trust. C. HAFNER therefore offers a full range of support services for precious metal recycling to facilitate quick delivery and prompt settlement.

Our aim is to ensure that you are more than satisfied with our products and services.
Call our recycling specialist Reiner Straub on ++49 (7231) 920-170.
He will be pleased to answer any queries.
